

ALFA LAVAL

MARINE SPARE PARTS

SOURCING CATALOGUE / PRICES ON REQUEST

Manufacturer equipment reference — not a photograph of our stock.

Photo: Alfa Laval — MIB 503 Gas Oil Module

EQUIPMENT & DUTY REFERENCES

MIB separators / MAB separators / MOPX separators / FOPX separators / Plate heat exchangers

Send your exact model, serial number and original part references. Equipment ranges do not establish part compatibility. Availability, condition, price and delivery are confirmed by quotation.

Independent MarineLink sourcing catalogue. Not a manufacturer manual; brand references do not imply affiliation or authorised distributor status.

ALFA LAVAL / PARTS RANGE

Component categories • Individual quotations • Worldwide delivery

Separator Service Kits

Request service components matched to the separator model, serial number and maintenance scope.

References: Fuel-oil separation, Lubricating-oil separation | Price: on request

Separator Seals & Gaskets

Gaskets, O-rings and seals identified against the original part references.

References: MIB, MAB, MOPX, FOPX | Price: on request

Bowl & Drive Components

Enquire about bowl assembly and drive-system replacement parts with exact equipment identification.

References: Marine separators | Price: on request

Heat-Exchanger Plates & Gaskets

Replacement plates and gasket sets quoted against plate type, material and heat-exchanger serial number.

References: Plate heat exchangers, Marine cooling systems | Price: on request
